Staircase Rope

Worsted wool staircase ropes and barrier ropes are made to measure and can take 2-4 weeks for delivery. Brass, Black or Chrome wall fittings are available.

When measuring it is advised that a straight line measurement from the top bracket to the bottom bracket should be used. The rope will stretch a little with use and a slight attractive drape will develop. If going around a corner an extra bracket will be needed to hold the rope into the corner. Please remember this when estimating.

For further information & pricing please contact Chris - **email** - purchasing@price-regency.co.uk
Telephone 01273 421999
